EDUCATION

Bs Mechanical Engineering

Jun. 2026

Oregon State University, Corvallis, OR

- Current GPA: 3.5
- Design & Manufacturing Pathway

International Study

Dec. 2023

Yonsei University, Sinchon, South Korea

- Yonsei Eagles Baseball Club

SKILLS

- CAD Modeling: SolidWorks, Siemens Nx, PLS
- Software: Bluebeam, Project Wise
- Leadership: President - OSU Baseball club, Treasurer - International Medicine Club
- Programming Languages: Python, R
- Circuit Analysis: Mesh and Nodal Analysis
- Material Science and FEA

ACHIEVEMENTS

Certificate - Mechanical FE (NCEES) - 25-872-32

Certificate - SolidWorks CAD Design Associate (CSWA) - C-A8BDRUZVF6

Junior First Citizen of the Year, Linn County, Oregon (2022)

Valedictorian, Santiam Jr/Sr High School (4.0 Unweighted GPA)

Student of the Year, Santiam Jr/Sr High School (2022)

WORK EXPERIENCE

Power Engineers, Member of WSP, Lake Oswego, OR

Jun. 2025 - Present

TRANSMISSION LINE ENGINEER

- Updated line designs between 4 different clients using PLS CAD. Performed conductor and shield wire sag/tension optimization and clearance verification
- Reviewed and marked up design revisions in Bluebeam Revu to coordinate changes between engineering and drafting teams
- Designed and analyzed direct embed and drilled pier foundations for steel poles up to 125 ft AGL.
- Compared NESC and client standards to decrease required pole heights by 15%

Black Butte Ranch, Sisters, OR

Jun. 2024 - Oct. 2024

WEDDING SERVER

- Coordinated complex event setups catering up to 180 guests, maximizing space for comfortability
- Managed 3-5 service stations simultaneously, keeping inventory stocked to maintain consistent quality
- Streamlined event cleaning process to reduce new event setup time by 20%

Santiam Jr/Sr Highschool, Mill City, OR

Sep. 2021 - Jun. 2022

MECHANIC

- Diagnosed mechanical failures in 10+ donated vehicles using advanced diagnostic techniques
- Repaired diagnosed issues (Mechanical, and electrical), improving salvage value by an estimated 40%
- Documented \$4000 worth of parts orders/ shipments to maintain accurate cost and inventory records
